

So viel Gemüse!

die Tomate

der Paprika

die Zwiebel

der Kürbis

der Chinakohl

der Zuckermais

das Radieschen

der Kohlrabi

der Feldsalat

der Lauch

die Zucchini

der Brokkoli

der Kohl

der Fenchel

die Aubergine

der Spinat

der Pilz

der Blumenkohl

die Gurke

die Möhre

der Salat

die Erbsen

der Sellerie

die Bohnen

■ Wo wächst das Gemüse?
Am Strauch, am Boden, unter
der Erde, ...?

■ Was wächst jetzt gerade draußen?
■ Welchen Teil der Gemüsepflanze
essen wir?
